

Happy Valley Football Club

Junior Player Code of Conduct Agreement

I _____ declare that I have read the Happy Valley Football Club Code of Conduct, the SFL Code of Conduct and the Drug and Alcohol Policy.

I acknowledge the importance of the need to abstain from anti-social and unhealthy behaviors such as underage drinking and substance abuse. I understand that Junior H.V.F.C. players must refrain from the taking of alcohol, illicit and/or performance enhancing substances and must comply with the H.V.F.C. rules and anti-doping code which prohibits the taking of such substances.

The particular disciplinary measure which the H.V.F.C. chooses to impose on the relevant player must be consistent with and in accordance with the code. Such measures may include (without limitation) the imposition of forfeitures or suspension from matches and training as deemed by the Executive Committee of the H.V.F.C.

I accept the consequences associated with any failure to comply with the Codes of Conduct and Drug and Alcohol Policy.
