Presidents Message

Hello Fellow Vikings,

What an exciting start to season 2011 with all our teams tasting some early success.

As most of you would off seen we have a brand new high quality web site that carries all the latest and up to date info on what's going on around your club, a big thank you to all those that helped get this up and running.

We also have our brand new BBQ up and running what an awesome change from that poor old BBQ van it looks fantastic and the bacon & egg sandwiches are something to experience.

One thing I would like to ask all of you is we need more help setup pack up especially at our sub junior level people cannot do these roles alone I would ask all of our sub junior parents to contact your sub junior operations manager and give a little at the end of the day the kids reap the benefits.

One thing that has really concerned me is some poor behaviour from our fans particularly at the junior end I would empower all of you to remember just what junior sport is about, learning our great game and having some fun we really need to set an example to our up and coming stars I am not asking parents to not support but we do not want to see foul language and unnecessary agro at our games be passionate not agro.

Before I sign off, one last thanks to those who organised the bucking bull night. Another great club event, where everyone had a ball.

GO VIKINGS

Wayne Hasel
H.V.F.C. President

The Happy Valley Football Club now has a new website! A big thank-you to Ashley Bryant, who gave up so much of his time to redesign and create the HVFC website to make it easily accessible to all members providing all the latest information. Members please note, as it is still being constructed, information is being updated on a daily basis. Information about games, teams, match reports, sponsorship, the committee, merchandise, photographs, contact details, and even the relevant membership and medical forms and newsletters can all be located on the website.

In addition, the club has also launched new Twitter and Photographs sites, a new email address system for all club contacts, as well as a slight relaunch of its current Facebook site. These details, appropriate links, and emails addresses can be found on the club's website, as well as within this newsletter.

Season 2011 Updates

Good start to the season from the football department. After round 12, the team's ladder standings are as follows:

A Grade: 5th – 7 wins
B Grade: 7th – 6 wins
C Grade: 3rd – 4 wins
Under 18: 8th – 5 wins
Under 16: 1st – 10 wins
Sunday Under 16: 3rd – 4 wins
Under 14: 2nd – 7 wins
Sunday Under 14 Yellow: 9th – 2 wins
Sunday Under 14 Black: 8th – 3 wins

The A grade are going well under the direction of coach Matthew Dent and assistant Phil Pippett. This year sees a new enthused group with new players fitting in well and players from last year are lifting to a new level. Most consistent players so far this year have been Scott McKenzie in a new role at full forward with 37 goals, as well as Michael Eagleton and new player Ryan Borowski.

The B Grade is a very young group that is developing under Gary Bennetts. They are an enthusiastic group who are learning weekly to improve and grow as a team.

The C Grade, after a slow start, is starting to show what they are capable of.

The U18's are continuing to improve with a couple of wins on the board now.

Under 16's and Under 14's have very good squads with the coaches very excited with the potential of the players and how far the teams can go this season. Both Liam Sutton and Adam Silverlock and the Sunday squad coaches are developing their players to reach their full potential.

Sub-Juniors are going well under coordinator Damian McCann with all players enjoying their football. We are lucky enough to have excellent coaches this season in these age levels to help the kids develop their skills and enjoy their football.

HVFC had a number of players play in the association teams at both senior and junior level. These games were played at South Adelaide Oval on Saturday 11th June. This was a real honour for these players and a chance to represent HVFC at this level.

See the HVFC website for order forms and give to canteen a week prior

Volunteers:

For a club our size, people within the football club must be prepared to volunteer and give up a couple of hours each season for the club to function successfully. Listed below are the areas within the club that require volunteer support:

- Canteen & BBQ
- Gate (on game days)
- Scoreboard
- Running water
- Boundary umpire
- Goal umpire
- Timekeeper
- Interchange

Parents please note, in particular sub juniors, your help may be required on Friday nights and Sunday mornings.

Team managers are required to develop rosters for the team in the area within the club that they need to support. Players and parents, you will be notified by the team manager of your designated shift, please note if you cannot make your shift, it is required that you find somebody to cover you and then let the team manager know of the change. By everyone contributing a small amount of time per season our club can continue to run successfully.

Note to all spectators:

Over recent weeks, the club has had several issues regarding the behavior of spectators, in particular parents during football games. Every parent should be focused on encouraging and praising their child not criticizing and abusing the opposition and or umpires.

HVFC prides itself on being a family friendly club and when incidents like this occur it is very disappointing. Due to the seriousness of this matter, parents that do not support their child, team and club in a supporting and appropriate nature will be asked to leave the ground immediately.

Please continue to support HVFC in the appropriate manner wearing club colors and show your passion for the game.
