## Match Day Reports Sunday 8<sup>th</sup> May

### Under 8 Black

Quite a good morning really considering the expected bad weather. We hosted Port Noarlunga at home this week. The team captain this week was **Cohen Carlier** and he played a great game using his team mates to set up some great first quarter goals. **Jaiden Wheeler** with 2 goals paid off from the good work.

Big **Angus Hawke** played really well taking some strong marks and matching up against Port Noarlunga's big players. A good stand out effort was **Logan Bucklys** attack on the ball.

A stand out third quarter by **Darcy Wheeler** in the forward line kicking 3 goals and good defence stopped Port Noarlunga scoring. Unfortunately I think I squashed a port Noarlunga child running backwards falling over him but he was fine so we can move on from that and never bring it up again :)

The last quarter finished off a great battle with all players contributing. Finishing strong and best player for us today was **Jed Ingleton** who listened all game and played really well.

Some special mentions go to **Alexander** for great listening, **Jett Mincham** playing hard who hurt his hand and hopefully ok for this week. **Brock** played well all game also.

Thank you to all the parents support once again and especially the mums celebrating Mother's Day. Looking forward to this week....

### Under 8 Gold

This week we played away at Morpett Vale in what was a really tight contest. The boys skills are improving more and more every week and their eagerness to fight for the ball is pleasing to see. Once again we had multiple goal scorers which is great to see - **AIDAN, XAVIER, NOAH, HAYDEN** and **JAYCE**.

Best players was hard this week but they are **AIDAN, XAVIER** and **JAYCE** - well done boys.

### Under 8 Vikings

This week was our first home game, we played Port Noarlunga white. The first quarter we were so dominant, I couldn't believe my eyes and then there was no change for the other three quarters. The run and carry was superb and everyone running back and helping out there team mates was excellent. Watching the boys this week was unreal, every single player did the second efforts and had a part in kicking goals. Well done Boys, you all were fantastic and you made everyone proud.

### Under 10 Black

Round 2 and we had a home game against Port Noarlunga Divers on Mothers day.

The boys started really well and kept the Divers scoreless for the first 2 quarters but lost a little bit of momentum after half time and nearly let it slip away,

Jayden reeves & Lewis Bird were outstanding in the ruck and got the ball to our mid field players on most occasions, Evan Hooper was on from the first bounce and started off with two great kicks on his non preferred foot, when the pressure was on the back line held there own led by Gabriel Caudle – Simes, Hayden Welland and Lucas Gordon who also performed well up forward on the day kicking 2 goals, great effort by the whole team to keep the divers at bay in the final term to run out the game and get over the line by 4 points the team is starting to come together and play as a unit well done boys and to all the volunteers who helped out on the day and to all the mothers who came out on mothers day to watch the footy.

Happy Valley 3-10 –28 to the Divers 3 – 6 – 24

Goal kickers – Lucas Gordon – 2 Goals – Phoenix Schunselaar – 1 Goal

### Under 10 Gold

Confidence ran wild through our boys on the weekend. They quickly learnt from last week and no one at the game could question their endeavor or persistence on Sunday. We had a purple patch of goal scoring and this was only possible due to the great run and carry and vision of our players. All lines performed really well on the day and clearly the boys are now up to speed with the game and what is required to play well together. Copper H bagged 4 goals which was a credit to how much space he made. Zac was dominant and was a great captain on the day. His leadership is becoming a highlight. Ry was in and under and tackling with ferocity and Ethan broke the lines and directed players on the field in a good show of leadership. Very proud boys. Let's continue to improve.

### Under 10 Vikings

We played Port Noarlunga White on Sunday and it's fair to say they were a pretty polished football team. Our boys took a quarter to work out what had hit as the contrast from the first week was significant. I was really proud of them for their second half in which they broke even with Port Noarlunga and showed us all that they were not prepared to give up despite the very wet weather. Every player made a contribution to the team and had an impact on the game. Great effort boys!

### Under 12 Black

Round 2

HVFC 0.3 Port Noarlunga 4.4

We played at home this week, the weather was all over the place but the boys put in a great effort. Our captains Milan and Rory led the team onto the field. The competition was tough and saw Isaac and Tyler amongst the action especially in the last quarter of the game. We didn't score any goals this game but everywhere the ball went our boys were there to contest the ball. A big thank you to Blades mum Donna on the chocolates that she organised for the boys to give to their mum for Mother's Day.

Best: Caleb Keleher, Blade Gallacher, Tyson Kershaw, Rory Summerside

### Under 12 Gold

This week we travelled to Morphett Vale to take on the mighty Emus. We had a plan in mind to hold position and maximise our skills and the team executed it really well. They played open fast footy with plenty of highlights. All players agreed that this is the way we need to play and results followed with a 16 goal to 1 goal smashing. Pleased to see first year under 12 players **Bass, Cody, Aiden** and **Bill** performing well. Also **Ethan Hurrell, Lachie Hamilton, Patty** and **Jaxon** having great games. **Shaun** was magnificent in defence and **Corey** was excellent at every contest but it was **Brad** who put on a show with 4 great goals. Finally special mention to the back line that held strong and made it impossible for the emus to penetrate.

Look forward to next week. See you then.

Goals - **Brad 4, Ethan H 4, Tom 2, Corey 2, Max 2, Bass 1, Lachie H 1.**

Final score - **HV 16.5.101 def Morphett Vale 1.2.08**
