## Match Day Reports Sunday 15<sup>th</sup> May

### Under 8 Black

Sunny perfect morning for us on Sunday. We played Noarlunga at home.

Some clearly good second year players for Noarlunga made it difficult in the first until we adjusted a few players.

The players continue to grow in confidence as I saw **Caleb Rowe** play well reading the game, the movement is getting better as the boys make a decision to kick or hand pass. Not always the right decision but they are learning fast.

Some important goal kickers this week included **Brock, Alexander, Jett, Darcy, Harley** and **Jaiden** to name a few.

I loved watching **Dales** attack this week and gaining confidence and always using players around him.

Best this week was **Jett Mincham, Harley Steer** and **Caleb Rowe**.

The parents support is always appreciated. It's fantastic to hear at the breaks parents quickly telling the kids to pay attention and listen. It's hard during breaks as kids like to see parents and friends on the side lines.

Friday nights training will be short as I plan to sit in a group on the side lines with the boys and discuss the Friday night game between HV gold and Vikings. Show them different things that they are doing wrong and right. If parents could hang around for a bit longer that will be great. If not please come up and let me know. At 6pm. It should be about half time for the game.

This Sunday 22.5.16 we play at Happy Valley again against Aldinga Black. See you at 8:30

### Under 8 Gold

This week we played Noarlunga at Noarlunga in great conditions for football. The boys were switched on from the first bounce and it was a great display of team football. It was great use of the ball, their handpassing and kicking was fantastic and so many players finding space by themselves. There was also some really selfless play to bring other players into the game. We had 7 different goal kickers, the whole team played really well together which makes this weeks best players so hard. Best players though were **JACOB LINCOLN** and **NASH**. Well done boys, also thankyou to all the parents for coming out to cheer us on, it sure does give the players a great lift.

### Under 8 Vikings

This week we had a bye, but thanks to all the players that came out to play a scratch match. It was great to see everyone have fun and watching the skills improve is fantastic to see. Thank you to all the parents coming out and supporting our children.

### Under 10 Black

Round 3 and we played at home against the Noarlunga shoes. The boys started off well again and they kept the shoes scoreless for the first 2 quarters but again went missing in the 3rd quarter and awoke in the final quarter to come home strong. The team is really starting to come together and play some really good football. **Jayden Reeves** performed well in the ruck again and backed his good work up with a couple of goals.

The boys had some really good patches of play on Sunday and are starting to use the non-preferred side to kick the ball and also handball well done boys keep up the good work.

Again a big thank-you for all the volunteers who help out on the day.

**Goal Scorers – Lucas Gordon 3, Jayden Reeves 2, Evan Hooper 2, Gabriel Caudle-Simes 1, James Kuilman 1**  
**Score - Happy Valley 9 – 6 - 60 to Noarlunga 1- 2 – 8**

### Under 10 Gold

The gold boys showed great heart in the face of a much more experienced team of Noarlunga on the weekend. We continue to start a little slow but after half time we did all the right things and got the ball going our way with some awesome run and carry and end to end footy. The courage and desperation of our players continues to be a highlight for the coaches and parents on the sidelines watching. This team are going to be something very special in time as each week they show another glimpse of what they can do when they focus and are hungry for the footy. Standout grinding performances must go to **Oscar** for his desperation at ground level. **Harry** for his desperation and ground ball work. However, **Ethan** as Vice Captain had a breakout match playing on the wings and created a lot of drive and carry for the team. **Zac, Cooper R, Ry** and **Max** all battled hard in defence and stopped numerous attacks with strong marks, accurate kicking and hard tackling. The boys are really looking forward to Friday night footy at the Valley this week.

### Under 10 Vikings

No match report this week.

### Under 12 Black

**HVFC 138 points to Noarlunga white 0 points**

This was an excellent game to be a part of. Every single player played an amazing game. We had action every quarter. A couple of boys had a few bumps along the way but remained strong. In all everyone agrees we couldn't single out a best player this week cause they were all fantastic. The club song could be heard from across the oval they were chanting that loud. We are very excited to see how the boys pull up next week.

Goal kickers:

**Blade 3, Leon 2, Isaac 1, Brady 1, Michael 1, Tyler 3, Patrick 1, Milan 2,**  
**Tyson k 3, Charlie d 2, Charlie e 1, Macklin 2**

### Under 12 Gold

This week we came up against the very tall, talented group of footballers from Noarlunga. We unfortunately took a bit of a beating as we were unable to compete well enough against much bigger bodies. Our endeavour was ok but we were often second to the ball and at times a little timid. A good lesson learnt hopefully, don't worry about the player just get the ball first. **Sean** and **Corey** were our captains and both set a good example. **Pat, Aiden** and **Bill** worked hard all day. **Toby** and **Jack** had really good games but it was our star recruit **Jaxon** who produced a brilliant game of football. His efforts were outstanding. We need to regroup, train hard and be prepared for our next challenge. See you all next week.

**Goals - E Hurrell 1,**

**Score - Noarlunga 10.5.65 def Happy Valley 1.0.6**

- Don't forget the Clubrooms are open for meals every Friday night. Stop in for a drink and a cheap meal!!!! And don't forget if you purchase 2 adults meals, you receive a child's meal FREE!!
