## Match Day Reports Friday 20<sup>th</sup> and Sunday 22<sup>nd</sup> May

### Under 8 Black

A perfect morning for footy on Sunday. We hosted Aldinga at home and despite the black and yellow clash looked forward to a good game of footy.

Aldinga were a player short and I want to acknowledge **Dale, Alexander, Brock and Jett** who played 1 quarter for them throughout the game. It's hard to play against your friends but you took the challenge well.

We played really well as a team all day which made it hard to have stand out players. The goal kickers this week do not get a mention as it was about working as a team to create the goals. Some really unselfish play let us score plenty. So well done!

**Angus** was captain this week and led by example as captain courageous!

**Kaiden** did some fantastic work running hard and is coming along well. Very impressed how he's listening well.

**Cohen** a clear stand out with grunt at most contests. Starting to bring other players around him into the game he's developing into a great footy player.

Again **Jed** played like a little termite (new nickname) as ALDINGA boys clearly taller tried to say some things to intimidate him but young Jed just burrowed in and became a nuisance for them.

The parents have been great support this year. You make the team complete helping with the small duties. **Brenton Rowe** has been really fantastic and has put some time in game days preparing the ovals etc so thank you.

See you all at training Friday night.

### Under 8 Gold

This week we played the Vikings on Friday night. We had a couple of players who had a quite night and it was great to see other players stand up. All the boys are improving every week and are really playing well as a team, looking to pass the ball to each other. Once again we had multiple goal scorers which is good that we don't have to rely on just a couple of goal kickers, and it was great to see so many people come out and support both teams and thank you to all the parents who are volunteering to help out. It was good to see both teams come together at the end to sing the club song. Best players this week goes to **JACK, TATE** and **JAXON**. Well done boys. I hope all the boys enjoyed Friday night football under lights.

### Under 8 Vikings

This week we played our first Friday night game against the HVFC Gold team. What a great atmosphere and a fantastic turn out of supporters. Our boys started off a bit slow and didn't man up on the opposition, but when they got the ball they moved it very well and scored. The boys tried and run out the game, well done boys!

A big thank you to all the supporters that came out to support the boys.

### Under 10 Black

Round 4 and we had another home game against the Aldinga Sharks, the boys put in a solid effort for all 4 quarters every player got their hands on the ball and used it in most cases to our advantage.

The use of their non preferred side is really starting to show in the last couple of games by hand and foot, Well done team and a big thankyou to Stuart for continuing this at training.

The boys are really starting to share the ball around and the ruck work and shepparding is starting to show out and especially for the first year players in under 10's this year be guided by the by the 2nd year players.

Score – Happy Valley – 15.13. 103 To Aldinga sharks – 0.3.3

Goal Kickers- Ryley – 4, Brock-2, Josh –1, Koby –1, Kris – 1, James – 1, Lucas – 1, Gabriel – 1, Macca – 1, Ayden – 1, Hayden – 1.

Guys please just a quick reminder that we have a roster system for a reason and please can we make a big effort to keep to it, If you are unable to do a roster please let myself or Stuart know so we can try and replace you but not letting us know or not showing up to assigned duties doesn't help out the club.

### Under 10 Gold

The lights were on, kids were pumped and full of energy and our boys were charged with the smell of Friday night footy. This week was just like the previous 3 in that the boys continued to mature and although the scoreboard is not showing it yet, we saw further positive signs that they are trying to put in place some team rules and use their skills. **Zac** kicked well out of defence to the wings, **Thomas** had some great run on the wing with some bursts of speed, **Jai** had a breakout game with possessions and **Seth and Ryan** showed great courage in creating a contest. Our first win is not far away, we just need a solid 4 quarter effort. Go Valley's Gold.

### Under 10 Vikings

We had a Friday night blockbuster against Happy Valley Gold last week. The boys were truly excited to be playing a game under lights. The Gold team came out hard early and put the Vikings under pressure but my boys held their nerve and started to get more involved as the first quarter progressed. I was really happy with the way we started to use some of the skills we've been learning at training into a game. In the end the game was evenly matched and more importantly was played in great spirits. The highlight being the way both teams belted out the song as one at the end of the game.

A big thank you to **Lucas and Cooper** (and their parents) from the Black team, who filled in due to us being a couple of players short this week.

Great game boys, everyone from both teams contributed and had an impact on the game. Let's keep it up.

**Goals - Henry 4, Harry, Xavier and Lucas**

### Under 12 Black

Under 12 Black 6 4 40 defeated Aldinga 2 2 12

The boys all played well in a hard fought out battle which by the scoreboard could seemingly be taken as a one sided affair.

The usual suspects Charlie Duncan and Milan Spring were up to their same old tricks playing brilliant football once again.

Sam Flett and Ryan Scovell were welcome inclusions back into the team allowing the boys to have a much better structure down the spine of the ground.

Jake Hosking rucked most of the game and continues to impress while Josh Enright worked tirelessly through the middle of the ground and Blade Gallacher dominated up forward with two goals.

Little Leon Spring kicked a great goal after the siren at three quarter time giving the boys the ascendancy going into the last quarter.

Cameron Berkefield kicked his first goal in 2 seasons which was great to see as he only had a small stint up forward.

#### **BEST PLAYERS**

Charlie Duncan, Milan Spring, Blade Gallacher, Sam Flett and Leon Spring

### Under 12 Gold

Well what a difference a week makes. Last week we were a team lacking desperation and commitment at the contest, this week we made every contest a winner with the team performing brilliantly. This was by far our best team effort with everyone contributing. Unfortunately Morphett Vale Black was the team who felt our domination. They tried hard but were totally outclassed. Our captains **Jack and Jaxon** led by example and were helped out by many good players. **Bradley, Toby, Corey, Bryce, Tom, Patty and Cody** were all amongst it. Great to see **Connor** find some of that magic and **Ethan Hurrell** was brilliant with 3 great goals. Really proud of all you boys. Can't wait til next week and remember keep on looking at your own game and see how you can improve it. See you all next time.

**Goal Scorers - Ethan H 3, Brad 2, Tom 2, Jaxon 2, Toby 2, Max 1, Patty 1.**

**Final Score - Happy Valley 13.12.90 def Morphett Vale Black 0.0.0**

- Don't forget the Clubrooms are open for meals every Friday night. Stop in for a drink and a cheap meal!!! And don't forget if you purchase 2 adults meals, you receive a child's meal FREE!!
