Match Day Reports Friday 27th and Sunday 29th May

Under 8 Black

A cold wet and miserable night saw us travel to Noarlunga oval Friday night to take on the shoes.

A miserable game but the boys still played hard making a great even contest. Some stand out efforts by many but **Jed Ingleton** really stood out.

Every quarter **Cohen** put himself at the contest with tough footy and stood out also.

There was a few incidents with bad language and really proud of **Jaiden** for not reacting and just kept his mind on footy.

Some fantastic plays with finding targets on purpose which will increase with confidence and skills.

Thank you parents for braving the horrible weather and supporting the kids.

Looking forward to training Friday night.

Under 8 Gold

This week we played Reynella silver at home in perfect conditions for football. It was a very even contest throughout the game. It's great to see the boys starting to take the game on and their desperation for the footy is starting to force the opposition into making mistakes and forcing the turnovers. This week we had 5 different goal kickers and the boys' celebrations after a goal is becoming a real highlight. Best players this week are **LIAM, JESSE** and **JACOB**.
WELL DONE BOYS

Under 8 Vikings

This week we played Reynella silver at home. It was great to see the improvement from last week, everyone had second efforts and stayed on their opposition. A few of the boys took great contested marks and then hit their targets. We had some different goal kickers this week and bringing others into the game was pleasing to see. A great effort from all the boys, well done!

Under 10 Black

Round 5 and the Under 10 Black team had a Friday night game against the shoes at Noarlunga. It was a cold, wet and windy night but the boys brought their A-game and revelled in the trying conditions.

The boys kept the Shoes scoreless for all 4 quarters, it was a great contribution by the whole team.

The boys are really starting to come together and stick to their positions and when needed are stepping up and really helping out their teammates with some great tackling and we have noticed in recent weeks that the use of their non-preferred side whether kicking or handballing is really to show out. Well done boys, let's keep it up.

Happy Valley – 10.19.79 to Noarlunga Shoes – 0.0.0

Scorers- **Evan 4, Macca 2, Jett 1, James 1, Ryley 1, Koby 1**

Under 10 Gold

Last weekend the boys got a real idea of what it is like to come up against a very experienced side. Reynella Black out played us in many areas of the game early, but a change in our coaching structure before the game really made a difference in getting messages across and our boys began to learn good team defence and how to hold position. It was a tough day for all but a great learning experience for our very young team. **Riley** had a great game and stood tall against the bigger body players. **Max** was in many contests and was in and under the pack getting handballs out. **Ethan and Jai** battled very hard back in defence again. **Zac** was very strong as a bigger body in defence and is starting to look for options and direct players. What really mattered most was the boys' effort and persistence. They were never prepared to give up, a quality that can't be taught.

Under 10 Vikings

On Sunday morning the Vikings took on Reynella Silver, a team who were bigger and stronger than us across the board. Our boys acquitted themselves tremendously and never stopped trying from the first to the final siren. We chased, tackled hard and generally made it difficult for Reynella with our constant pressure. Whilst we were only rewarded with one goal for the day there was a lot I was pleased with, which indicates that we are starting to listen and learn. Our endeavor can never be questioned. We'll put into practice some aspects of our game which need improving on the training track and look forward to next week as always.

Finally the sportsmanship shown by our lads while they patiently waited in a line to shake their opponents hands is what I was most proud of. All while the Reynella team and their coach deciding it more appropriate to sing their club song before acknowledging their opposition. Well done boys, you are a credit to yourselves (and your parents) with the way you conducted yourself.

Goal Kicker - **Cooper**

Under 12 Black

No match report this week.

Under 12 Gold

Since our first training session we have been working on our game plans and what we want to achieve as a team and how to keep raising the bar for ourselves and again today we took another step forward.

As last week, the boys came out pumped up and ready to play. Leading from the first bounce and throughout the game were our on ball brigade of Brad, Corey and Meatballs Hamilton who were poised and focused like Lions hunting prey. Big Tom got his hand to every contest giving us a clear advantage in the ball ups. First year players Aiden and Bryce took turns on the ball and were hard and tough at the contest.

Max Brown had a standout game, accompanied by Patty on the wings, where they were influential in creating a lot of our space and forward ball movement. Jaxon again was strong in the contest, both at centre half back and in the ruck. Our forward line worked well together as the match went on with B-J being a target up forward and Bas scoring a couple of sausage rolls after many great ball movements again from two first year players in Sammy and Conner who both had their best games for the year.

Ethan was solid at full back, taking on the game with his run and ball carry, supported by Young Bill who took some very good contested marks.

Final Scores Happy Valley 10.4 – 64 Reynella Black 4.0 – 24

Overall another great team effort from all the boys.....

Thanks again to Christian Hamilton who assisted in the coaches box along with Matt Walton and Josh Weygood who stepped in for running duties.

Big week on the training track boys as next week's game is against our cross town rivals Flagstaff Blue.

- Don't forget the Clubrooms are open for meals every Friday night. Stop in for a drink and a cheap meal!!! And don't forget if you purchase 2 adults meals, you receive a child's meal FREE!!
