Match Day Reports Sunday 26th June

Under 8 Black

No match report this week.

Under 8 Gold

This week we played Morphett Vale black at Morphett Vale in great conditions the boys started the game off slowly but really turned it on after quarter time the boys eagerness to get to the ball was fantastic they were looking for each other to pass to and sharing the ball around this week we had multiple goal scores in Jaycee, Xavier, Jayden, Aidan and Nash and it's good to see the things we do at training coming together on game day. It was wonderful to hear the boys directing each other on the ground it is what team football is all about and it was great to hear everyone cheering us on the side lines it sure does give the boys a lift best players is so hard this week but JAYCE AND XAVIER with a couple goals each and JAYDEN with his on field leadership WELL-DONE BOYS!

Under 8 Vikings

This week we played Morphett Vale Emu's away. It was a fantastic game and the skills were evenly spread over both teams. Watching the boys use other players and getting the hard ball was great to see. This week we all did the little things, standing on a player and trying to win our position. A big thank you to the players that played for the opposition for a quarter as without this we would have had to only play 11 aside. Thank you for all the parent help and support each and every week, it's greatly appreciated.

Under 10 Black

No match report this week.

Under 10 Gold

On Sunday the boys headed South to Morphett Vale. The boys started slowly but found their way into the game over the 4 quarters. We managed to push the ball out of centre well and have the ball in our forward line more than we have had in the past. Unfortunately we weren't able to convert the effort to scores as often as liked. The boys scored a couple of behinds, and goals from **Ethan** and then **Max** were fantastic to see! It's great to see the boys celebrate!

We all need to realise we are a young first year team with some players never having played football before. What we are seeing is terrific progress, teamwork, and most importantly effort. The team played well with great effort through the whole game. **Jai** took the game on with some running play and the confidence to take a bounce. **Cooper R** was brave at the ball, coming off twice from hard hits. **Riley** too was hard at the ball, also coming off with a bruise. **Max** was around the ball all game, as was **Ry** and **Zach**, and **Ethan** proved again to be a valuable ball getter. Tackling seems to be our strong point and we didn't disappoint. We are proud of all the boys and it's great to see them having fun.

Finally a reminder to all parents and spectators to be patient and understanding with all children. They are all at different developmental levels and will progress at different rates. Thankyou.

Under 10 Vikings

Morphett Vale Emus were our opponent last weekend. My boys played good hard football, linking up well and never giving up even though we had our backs to the wall for much of the game. There were some fantastic individual efforts but most pleasing was the teamwork displayed. They love kicking a goal and are always on hand to congratulate their team mate, showing fantastic team spirit.

A big thank you to **Xavier** (and his parents) from the Under 8 Gold team, who stepped up to help with numbers. He went in hard and wasn't daunted by the bigger boys, he'll be a cracker next year!

Well done again boys, great effort.

Goal Kickers - **Hamish and Bodie**

Under 12 Black

No match report this week.

Under 12 Gold

This week we travelled to Morphett Vale to take on the mighty Black Emus. After beating them by 20 goals 6 weeks ago we knew we would be in for a tougher battle as they have got 4 of their best players back. Unfortunately for them, our team had also improved over the weeks as we worked hard to maximise our forward entries and it worked. We kicked 19.5 for the day, great conversion. It all started in the middle with **Big Tom** playing a blinder, **Saxon** getting to every contest and **Ethan Hurrell** converting everything at full forward. We were well led by **Cody and Bryce** who were our captains with **Bryce** playing another good game. **Connor** was a tackling machine, **Lachie Caddle** was great as he grows in confidence and **Max** played his best game of the year. Special mentions to **BJ** who is finding his spot and **Sammy** who had at least 15 disposals in the last quarter when switched into the middle. Finally well done to **Charlie Mibus** who continually strives to become a better footballer as his training efforts are outstanding. Well done Vikings.

Goals - Ethan 5, Tom 2, Caddle 2, Hamilton 2, Brad 2, Aiden 2, Shaun 2, Jaxon 1, Bryce 1.

Final score - HV 19.5.119 defeated MV Black 1.3.9

- Don't forget the Clubrooms are open for meals every Friday night. Stop in for a drink and a cheap meal!!! And don't forget if you purchase 2 adults meals, you receive a child's meal FREE!!
