

Sub Junior Registration – Welcome Letter 2024

Welcome to Season 2024! We hope you are all looking forward to getting back to footy this year.

Player Fees Now Online at Time of Registration

Player fees will now be made electronically during the online registration process for your child. If you are unable to pay the full fee amount owing at the time of registering your child online, you are able to arrange a payment plan with our Membership Manager, Jill Lillis and she will assist you with the payment process.

Family Discount

The Club still provides a family discount to families with multiple players registering at Happy Valley FC. The discount is now a % of the playing fee and is automatically applied to each subsequent family member registered online in the same league

***IMPORTANT** – the family discount will only be applied if online registrations are completed with the same email address. If player accounts have been previously registered or managed by a different email address please contact our Membership Manager to receive a Voucher Code for your family discount.

Sports Vouchers (*now for school aged children Reception to Yr9*)

The Sports Voucher this year has been extended to include children up to year 9 in school. You can now also apply the Sports Voucher through the online registration process, so you don't need to fill it out any separate forms. The option to apply the Sports Voucher will appear at the end of the registration process on the Payment Summary screen. It is located under the voucher code field. Once successfully applied the player registration fee will reduce by the Sports Voucher amount.

**If completing your player registration on a mobile device you will need to click "I have a voucher" for the voucher field to appear.*

For further information on the registration process, discounts or sport please refer to the enclosed documents for more detailed information.

*****For Sub-Juniors*****

It is important to note that you will still need to fill in the Team Placement form manually and return to Katie Allen, Sub-Junior Operations Manager as soon as possible so we can finalise team placements before training begins in mid-March. (See attached form).

*******Important for all to know when registering online*******

- When registering online you must use the email address you registered with last year. If the email you use to begin the process does not match the previous profile, please think of all the emails you could have used back then to register. Did your partner do it? Did you use a work email instead of a personal one? Even if this email is no longer valid you can go into PlayHQ using it as your username just to get the ball rolling and then change it once you have registered the new profile.
- Ensure you have your Medicare card with you and don't forget to add the identifier number next to your name (if registering for yourself) or your child's name (if registering for them) as the final digit

*******Uniform and Merchandise*******

- Majority of Uniform and Merchandise items can now be purchased through our online store – visit www.hvfc.com.au/shop

Some items may be available from our club store – keep an eye on our Facebook page for details on when the Club store will be open during pre-season.

Happy Valley Football Club
Happy Valley Football Club Sub Juniors

Below is a list of Key HVFC contacts, should you have any queries:
